50-State Standards Overview: Money Nobody Taught You, Teen Edition (Series 1)

Numbers come straight from each state's current standards map (October 2026). "Fully" means a book passage meets every required part of the standard; "partly" means a book touches it and your lesson completes it. Open each state's map for the standard-by-standard detail.

National Standards (2021 NSPFE): 37 of 68 fully covered · 11 partly · 20 not covered.
