Classroom Game Book

Series 2 · 13 new games + three 5-day challenges

All built on Series 2 stories, Rules 16-30. None repeats a Series 1 game. Paper, pencil, a coin. That's it.

Built for a full class of 20-30. Most games run in teams of 3-4 with whole-class reveal. Prep 3 minutes or less. No real money is ever used, bet or shared. Never use a real account number, password or private paper.

Game 1

Envelope Under the Door

Calm · 10 min · Prep: 2 min: copy one Ray's Cheat Sheet line per team and cut it into word strips

Lessons it practices: Rule 16 (S2 B1), Rule 17 (S2 B2), Rule 18 (S2 B3), Rule 19 (S2 B4), Rule 20 (S2 B5), Rule 21 (S2 B6), Rule 22 (S2 B7), Rule 23 (S2 B8), Rule 24 (S2 B9), Rule 25 (S2 B10), Rule 26 (S2 B11), Rule 27 (S2 B12), Rule 28 (S2 B13), Rule 29 (S2 B14), Rule 30 (S2 B15)

Goal	Rebuild a torn Missing Manual line before the other teams.
Group	Teams of 3-4
Materials	Word strips in an envelope (one Cheat Sheet line per team).
Setup	Slide one envelope to each team, face down, like Nia finds them under the shop door.

Say this to start: "Ruby wrote this down a long time ago. It came back in pieces. Put it together."

Steps

1. Teams open the envelope and lay out the strips.
2. Build the line in the right order.
3. Raise a hand. Read it out loud.
4. Say which book it's from and one thing that happened when the crew learned it.

How to win: First correct line and book wins the round. Play three rounds.

Talk about it: Which line would you tape inside your locker?

Easier: Leave the first word in place. **Harder:** Mix two lines from two books in one envelope.
